PROJECT QUOTATION

Prepared by: Reuel's Web Services

Date: February 12, 2026

Prepared for: Clive

Quote Ref: RWS-2026-001

Project: rastacollections.com — eBay Storefront + CMS

Valid for: 30 days

Project Overview

This quote covers the full design and development of a custom branded website for **Clive**, serving as the online advertising hub for the Rasta Collections eBay business. The site will showcase listings (images, price, description, eBay link) managed entirely by Clive through a simple admin panel. Includes logo design, AWS S3 image storage, domain registration for **rastacollections.com**, and deployment on Railway.

One-Time Development Costs

Deliverable	Description	Cost (JMD)
Logo & Brand Design	Custom logo, colour palette, and brand identity assets sized for web and social media use.	\$10,000
Website Design & Frontend	Fully responsive site: Homepage, Product Listings page, and About/Contact page. Custom UI — no templates.	\$40,000
Product CMS / Admin Panel	Secure admin dashboard so Clive can add, edit, or remove listings. Each listing holds a title, price, images, description, and eBay URL.	\$25,000
DEVELOPMENT TOTAL		\$75,000

Recurring Operational Costs (Monthly)

These are ongoing third-party costs billed in USD. Converted at ~JMD \$158 per USD. Clive may pay these directly or bundle them into the optional maintenance retainer.

Service	Details	USD/mo	JMD/mo
Railway Hobby Plan	App & backend hosting. \$5 USD usage credit included — sufficient for a low-traffic launch.	\$5.00	~\$790
AWS S3 (Image Storage)	Product image hosting. At 5–10 GB, cost is negligible (~\$0.25/mo).	~\$0.25	~\$40
rastacollections.com	Domain registered at \$11.00 USD/yr via Namecheap. Averaged monthly below.	~\$0.92	~\$145
OPERATIONAL TOTAL		~\$6.17	~\$975

* Domain billed annually (\$11 USD/yr). First year can be paid upfront at project kickoff.

Optional Monthly Retainer

JMD \$10,000 / month

Minor updates • backups • security patches • uptime monitoring • managing Railway, S3 & domain on Clive's behalf.
